Amongst other things, this requires them to treat all applicants for positions who have a Criminal Record fairly and not to discriminate unfairly against the subject of a Disclosure on the basis of conviction or other information received. It also requires them to have a written Policy Statement on the recruitment of such individuals, which can be provided to all applicants for positions where a Disclosure is requested and to ensure that a body or individuals at whose request applications are received are countersigned has such a written Policy Statement. The following is the Positive Steps Policy Statement:

For those positions where a DBS Disclosure is required, applications forms, application packs and advertisements will identify that a Disclosure will be requested in the event of the individual being offered the position.
8. Where a Disclosure is to form part of the recruitment process, we encourage all applicants called for interview to provide details of their criminal record at an early stage in the application process. We request that this information is sent under separate cover, to the Human Resources Manager of Positive Steps Oldham, we guarantee that this information is only seen by those who need to see it as part of the recruitment process.

Guidance on Completing the Application for Employment

General Guidance

These notes are to provide you with guidance on completing your application form.

- It is important that the information you provide is correct. Make sure that you check the dates and details of qualifications and previous employment. If you provide false information or deliberately omit any relevant facts it will disqualify your application or, if discovered after appointment, may be grounds for dismissal.
- Please read the following, carefully, before completing your application form. The information below will explain each section of the application form and help you to complete your application more effectively.

With your application form, you will also have received:

A Job Description containing details about the job, listing all the main tasks and duties which the post-holder will be required to undertake. This is about what you will do if you are successful.

A Person Specification outlining the skills, knowledge and experience a person must possess to carry out the duties of the job description. We use a competency-based framework which outlines both the essential criteria, and where appropriate, the desirable criteria too.

The decision to invite you for interview and assessment will be based entirely on the information you provide on your application form. Therefore it is extremely important to provide, on the application form, clear and relevant examples of the skills, knowledge and experience that you possess which relate to the points on the person specification in the order in which they appear.

We would advise you, strongly, not to copy the same application form for different jobs as the requirements will vary between posts.

Please note that Curriculum Vitae will not be normally accepted.

However, if as a result of any disability, you have difficulty in completing the application form you may submit a CV in a text or audio tape form. Please note:

- On your CV use the key heading from the application form in the same order.
- Ensure that the Applicant Reference Number (if available) and Job Reference Number are contained on **ALL** sheets.
- The Personal Details Section and Equal Opportunities Monitoring Section must be capable of separation from the rest of the CV and each other.
- Applicants **must transfer** the Data Protection and Declaration Statements to their CV.
- The same conditions relating to honest and complete information supplied via an application form will also apply to the CV of the successful candidate.

Normally we will only accept an electronic application form and this will be emailed to you. When completing the form, the font used should be **11 point ARIAL**. If you attach any 'additional sheets' to support

Please give names and addresses of **two** references, not related to you, who are willing and able to provide up-to-date information on your qualifications, experience and skills. One of these **must be** your current or most recent employer, a referee related to relevant voluntary or community work or, if appropriate, your head teacher or lecturer/tutor from your last school or college or university.

Remember, unless indicated, references may be requested before interview and assessment. Please indicate, if you do not wish us to ask for references until **after** the interview / assessment stage.

Finally, you should sign the declaration and return your completed form by the closing date.

Positive Steps will only contact candidates who have been shortlisted for interview / assessment. This would normally be within fourteen days following the applicant initial selection date and will usually be by email.

Some final points to bear in mind

- Your form should be neat, tidy, free from spelling errors and completed electronically. Only in exceptional circumstances will written forms be accepted and if so, then they should be completed in **black ink**.
- Do not submit a Curriculum Vita, unless you have a disability which prevents you from completing the form. If this is the case, please refer to the 'General Guidance' section of the Application Pack which relates to 'Guidance on Completing the Application Form'.
- Your form should be completed in a concise, well-organised and positive way.
- Do a rough draft first as this avoids mistakes and allows you to organise your application properly.
